

Can This Really Be True

Written by Philip C. Vinson

Jesus, are You really real?
Can you make a difference in my life I can feel?
How can even You make such a change?
My life can You rearrange?
I don't know how to get in touch with You.
If I say I'm sorry, will that do?
I want what little about You I have heard.
How will I know if it has occurred?
My life of sin I want to quit,
My life to You, if I can, I want to commit.
I know of no one else to turn to but You.
Lord, can this really be true?
What I have heard is such good news. I give to You my life, if it You can use.
I am tired of the way I live, Will You forgive?
My life to You I want to give.
You know my heart, for You I want to live.
Some say from sin You can set free.
If that is the way You do it, will You accept me?
Changing Your life I will gladly do.
For everyone I would like to do the same thing too.
I died so all can be set free.
I give life to all that come to me.
I have heard what you had to say.
I will accept you just that way.
All that come to me I never turn away.
So come just as you are today.
