

Why Others Never Me

Life has been like a stormy sea, Tossing me about, trying to devour me.
The good things in life keep passing me by.
Does it always have to be like this ... why?
Why do these things happen to me ... why?
Why can't once in a while I see a bright sky?
Why does it have to be lightning and thunder?
Why is my life always being torn asunder?
Why can't something good come my way ... why?
I try hard; I really try
Why don't things ever work out for me?
Is this the way it was meant to be?
Why can't a good life for me begin?
These things happen over and over again?
Will things for me ever change?
Will the better things always be just out of range?
Why can't something in my life turn out good?
It seems I have done everything I could.
Why can't my life be like others I see?
Things turn out good for others, why not me?
I want things for me to be better too.
Why am I a failure in whatever I try to do?
God, why don't You help me?
Why do You always let this be?
There is someone you should know.
He will change your life and show you the way to go.
Jesus is His name. He came to earth to die for man.
He loves you; He will do what no one else can.
