Jesus is His name, this I know.  
Because He lives, I live also.  
He died so from sin I could be free.  
That's how much He loved me.  
One day in Heaven, the Father we will meet, The church, He will be waiting to greet.  
And in all His glory we shall see, Because with Him we will forever be.  
The one the Prophets wrote about ... came.  
He was not born in wealth or fame.  
Around the world His name we now proclaim.  
He brought me life, I brought Him shame.  
There is so much to say about this Man.  
He forgives, gives life, He does what no one else can.  
He walked the shores of Galilee,  
And taught the people from sin you can be free.  
He never changes, but always the same.  
We live to bring glory and honor to His name.  
N ever has there been a name like His.  
No name is worthy of praise, but His is.  
One day His name will be known by all.  
He died to redeem Man from the fall.  
There is no forgiveness but by His name.  
When He forgives, your life will not be the same.  
If you want eternal life, call upon His name.  
We are the cause of His death, sin is to blame.  
When he cleanses, you will be whiter than snow.  
One day to the City of God we will go.
