Life first began with God's breath.
Now it begins with His death.
We were kept from a life of bliss. Adam, you are the cause of this.
We were never meant to grow old and die.
But live forever and worship our God Most High.
Our relationship the way it was meant to be we now miss.
Adam, you are the cause of this.
Judas was chosen; with Christ he walked.
And with Him he talked.
Then he betrayed our Lord with a kiss.
Adam, you are the cause of this.
God meant for life to be a pleasure.
Adam, you kept us from this treasure. I wonder if at our Lord they did hiss.
Adam, you are the cause of this.
Life could have been filled with joy and peace.
The life God had for us would never cease.
But what you did, heaven many will miss.
Adam, you are the cause of this.
Since then so many have lost their way.
Christ had to pay for what you did that day.
All could have enjoyed earthly bliss.
Adam, you are the cause of this.
God saw the sinful state man was in.
Christ would suffer and die because of sin.
But heaven we no longer have to miss.
Christ's death: Adam, you are the cause of this.
