Out of the dust God created man, Only one tree in the garden was there a ban. Adam was created by God Almighty's hand He put him in the garden in a fruitful land. Just tend the garden to Adam God did say, And came to walk with him in the cool of the day. I wish I knew how long innocence did last, There is no longer innocence, all that has now past. Adam could have lived forever, But eating the forbidden fruit, their relationship he did sever. Now in sin man would be, He brought death to all, even to you and me. Would he do differently if he could start again? God had a plan, in Christ it had to begin. Now there is no other choice God could make, The Son of Man had to come and die for man's sake. Adam was created to live forever, Did God have in mind for him to die?-no never. Jesus the second Adam was born to die, Because Adam just went along with the lie. In Christ we are dead to sin, In Him over death we shall win. The apostles were there, His word they heard, Now we must believe what is written, it is His word. There is no other, Christ said "I am the way". Come to Him, make your decision today. In preaching the gospel Christ was very bold. His is the greatest story ... the greatest story ever told.
