When I was unlovable You were there; When I deserved judgment, You were always fair, All I deserved was hell.  
My spirit You healed, now I am well.  
When I was in sin You set me free.  
When I did not love You, You came to me. You loved me so, with me You want to be.  
My eyes You opened that I might see.  
Lord, from You my sins I tried to hide.  
While in sin, You could not come in and abide.  
You saw what I was trying to do,  
But You said if you repent I will come to you.  
I know my ungodly ways grieved You so, And every sin of mine You did always know.  
I could never hide them from You,  
You changed my life; show me what You want to do.  
Even my thoughts You always knew, My spirit You always wanted to renew.  
Why did I wait so long to hear Your voice?  
Why did I wait so long to make You my choice?  
All the secret things I did; From You I could not keep them hid. My ungodly ways You always knew, Repent, that's all You said I must do.  
Lord, thank You for what You did for me, So I can be all You want me to be.  
Help me to walk humbly before Thee, There are many I must tell; it is required of me.
