Love has always been.
Love rejoices when, a new life, you begin.
Love does not seek its own.
Love never leaves you alone.
Love will be with you all the way;
Through your ups and downs, through your every day.
Love is there when things go wrong; When you are weak and when you are strong.
Love stands up for what is right.
Love will help you through your longest night.
Love stays close when friends forsake you.
Love will be there while waiting for your breakthrough.
Love never fails.
Love will guide you when the storms of life assails.
Love will get you through your darkest hour.
Love is a mighty power.
Love is there when you get old.
Love will keep you until, Christ's face, you behold.
You can even love your enemy.
Try God's love, you will see.
Love is manifested in our lives each day; By the way we act what we do and say.
Love like this was never known,
Until Jesus left all His glory and His throne.
Love was shown on the cross when Jesus died.
Of His love, the prophets testified.
Each day His love, with us, He shares. It just shows how very much He cares.
