

## What Will My Answer Be

One day on earth my life shall end. Did I ever have Christ as a friend?  
Did Christ suffer and die for naught?  
Did after the things of God I sought?  
Was my life for Christ used for good? Will I be able to say I did all I could?  
Was my life wasted on things just for me, Will what I did for God be only a memory?  
Did after the things of God I seek, While here were the things of God did I speak?  
Was my life for righteousness just wasted, Gods love and goodness have I tasted?  
Were there times in life I could have done more?  
Or were the things Christ asked of me a chore?  
Was my life to those around me a light? Or was my goodness right in His sight?  
Was I a good neighbor?  
For the Kingdom of God did I labor?  
For God did I do my best?  
Did my work stand the test?  
When my time to die finally came  
Had I lived for Christ or had I sought worldly fame?  
Was the race for Christ faithfully run, Did I make Christ Lord and we become one?  
Be sure there is no bitterness and hate?  
Make Christ Lord before it is to late.  
He will be glad to come in today, He loves you He is the only way.
