

Promises

Is your joy and peace completely gone?
Does it seem it has been that way so long?
Keep your trust in the One that cannot fail, And will keep you when the storms of life assail.
He does not make a promise He will not keep. He promises if you are faithful you will reap.
You can have the promise of the life that now is, And eternal life to all that are His.
On His word you can rely,
And none of His promises He will deny.
Never be afraid to ask;
Your needs are not that great a task.
Come boldly to the throne of grace.
In Him all your troubles you can face. He will be there in your time of need.
Ask, believe. You don't have to beg or plead.
The promises are yours if in His word they are said.
Get His word in your heart, not just in your head.
Trust in, depend on what is said in His word.
Don't always rely on just what you have heard.
Take time each day for His word and pray, When things go wrong, in His word you must stay.
See if there isn't a promise just for you.
Ask and see what God will do.
Don't be discouraged when the devil comes to say:
"God does not keep His promises, not yesterday or any day."
God's promises are sure.
His word is timeless, ageless and pure.
