

If There Was No Forgiveness

If there was no forgiveness, Then there would be no hope.
In life I could not cope, If Christ had said nope.
If there was no forgiveness, In darkness I would always be.
The light of Christ I would never see, Sin would always have its hold on me.
If there was no forgiveness, In sin I would always be.
Eternal life I would not see,
At death Christ would not welcome me.
If there was no forgiveness,
A part of God's family I could never be.
From sin I could not be free, Sin would be in control of me.
If there was no forgiveness, Then Christ I would never see.
No joy would there be in me, In Heaven I would never be.
If there was no forgiveness,
His fellowship I would never know.
In Christ's likeness I could not grow, And to Hell I would surely go.
Christ did not leave us without forgiveness, He came and set me free from sin.
It will not be part of my life ever again,
I have been forgiven, now Christ dwells within.
