No longer do we walk alone, His love to us He has shown.  
One day with Jesus we will sit, All because we did not quit.  
Because we have been faithful, one day Jesus we shall see.  
And by His grace, with Him we shall forever be.  
With my praise I will give satan a fit.  
With God's help, I will never quit.  
What do we have to look forward to?  
Without Jesus what good did we ever do?  
Keep your eyes on the goal until you reach it, And you will because you did not quit.  
Maybe there will be hard times ahead, But don't forget, Jesus is not dead.  
Do not let sin reign in your life, not even a little bit.  
Don't ever give in, don't ever quit.  
Jesus said I will be there for you.  
I will never leave you, I will see you through.  
Jesus, to You my life I fully commit.  
Now it is no problem for me to say, I will not quit.  
Do you know Jesus? He will set you free.  
He will gladly do it for you, as He did for me.  
Try Him if only for a little bit.  
Then I know you will say I will never quit.  
Jesus will always be by your side.  
That river you have to cross might be deep and wide, But His love and mercy there is plenty of it.  
Then you can easily say, "I did not quit."  
Now God is awaiting me, Because of His Son Who died on that tree.  
Now in His kingdom I do so wondrously fit.  
All because I did not quit.
